Sapienza University, which was founded in 1303 by Pope Boniface VIII, is one of the oldest universities in the world and a top performer in international university rankings.

The 115,000 students enrolled at Sapienza can choose from over 300 Degree Programmes (Bachelors, Masters and PhDs) and 200 Professional Master Courses, while the “Scuola Superiore di Studi Avanzati” manages honours programmes.

Sapienza has 11 Faculties, 63 Departments and various research centres that drive high levels of excellence in archaeology, physics and astrophysics, as well as humanities and cultural heritage, environmental studies, nano technology, cellular and gene therapy, design and aerospace. Moreover, students enjoy 59 libraries (two of which are open 24 hours/day), 20 museums, the Ciao/Hello Student Orientation Office, the SORT Faculty Orientation Office and an Office for Disabled Students.

Throughout the course of the year, Sapienza organises a myriad of cultural, social and sporting activities to encourage students to enjoy life on campus. These include the Sapienza MuSa orchestras, choirs and ensembles; the Theatron - Ancient Theatre Group; Sapienza web radio and wide range of sports facilities. Sapienza’s large student population includes over 30,000 students from outside of the Rome area, ca.

7000 foreign students and 1200 students on mobility programmes. Thanks to its extensive network of universities from around the world, Sapienza provides its students with a wide range of international opportunities, including double-degree programmes, scholarships for writing theses abroad, traineeships in European and non-European countries, and international PhDs.

Sapienza provides all international students very convenient flat rate for enrolment.

The main Sapienza campus, which was designed by Marcello Piacentini, opened in 1935. It is located close to the city centre. It is the largest university in Europe - a city within the city - where teaching activities are integrated with laboratories, libraries, museums and a wide range of student facilities and services. Faculties and Departments also pursue their activities in off-campus buildings throughout the city. Sapienza also has two other campuses, outside of Rome, in the Lazio Region.

Masters Degree Programmes (see above)

For further information:

www.miur.it/guida/guide.htm

A Word of Advice:

To enrol as a degree seeking student or request information about Sapienza, we highly recommend you to get in touch with our offices at least six months before the beginning of the academic year. Students may only enrol in the Fall Semester.

Grading System

The Italian university grading system for course exams is based on a 30-point scale (18 and above is considered passing), while a 110-point grading scale is used for the final dissertation (66 is the minimum grade necessary to graduate).

The *Cum Laude* is equivalent to *with Honours* and assigned to praise outstanding students for each exam and/or upon completion of their university degree.

Academic Calendar

Academic calendars provide information on the beginning and end of courses, exam sessions, vacations, and national and religious holidays. Typical schedule for Bachelors and Masters Programmes:

Fall Semester

Courses: September - December

Exams: January - February

Spring Semester

Courses: March - May

Exams: June - July

Courses

University courses usually begin in late September/early October (first semester) and in March (second semester), but this may vary slightly from faculty to faculty. The course calendar for every faculty is usually published about one month before the courses begin. Some professors also publish the academic calendar on their faculty or personal web pages, as well as on the office notice boards.

Students do not have to enrol for courses to attend lectures. Once lessons begin, just go to the lecture hall and attend the lesson. (It's a good idea to get to the lesson on time as some classes fill up fast). In fact, attendance is often optional, although some professors may ask you to sign an attendance sheet to keep track of the students who attend lessons regularly. Moreover, the course load may vary slightly depending on whether or not you attend the lessons. Some professors may ask students who do not attend lessons to integrate their course work with an extra or a different textbook to balance the workload for all students. Textbook requirements and related information for each course are listed on the faculty website (Lista dei programmi).

Exams

There are three exam sessions at Sapienza:

- Winter (January and February)
- Summer (June and July)
- Autumn (September)

Faculties publish the exam dates as soon as possible, so check your faculty website or notice board for exact dates and times.

In order to take exams, you must book on-line via the Infostud student portal. You can book an exam on-line from one month to one week before the exam date. Once the exam is booked, remember to print your

receipt, as you will need to present it and have it signed by your professor. Remember to hold on to it as final proof of your exam.

Most exams are oral, although some may also have a written part. Your professor will provide further information on this. During a standard oral exam, the professor or one of his/her assistants will question the student for about 15-30 minutes, depending on the subject matter. If there are too many students on one exam day, the professor may decide to divide the students booked for that day into two or more groups, which means that some students will have to take the exam on another day. If this is necessary, the professor will inform his/her students on the day of the exam or a few days beforehand, if possible.

On the day of the exam, when you are called for the exam by the professor or assistant, you will need to show the receipt of your exam booking and a form of photo ID. After the exam, you will receive a score ranging between 18 and 30 (18 being the minimum passing grade). In order to praise outstanding results, the examiner may add “cum laude” to a maximum score. If you are not satisfied with your exam score, you may refuse it (before it is registered) and take it again on another date for which you will have to re-register as above.

At the end of the exam session, all the results are registered on the

university database and a couple of days later they will be visible on your Infostud portal personal page.

Please note:

If you are an exchange student and you need to leave earlier than a scheduled exam session, you will have to organise this with the professor at the beginning of the semester. Without an official or regular examination, you will not be able to receive your transcript of records.

Contacting Professors

You can contact your professor via his/her email. These are available on the office notice board or on the faculty websites. You can also see your professor during his/her office hours, which are also published on the office notice board or the faculty website.

Residence Permit

All **non-EU citizens** who intend to stay in Italy for longer than 3 months must apply for a residence permit within 8 working days from their arrival in Italy.

Please note:

1• This does not apply to students from a European Union member state (or EU equivalent states);
2• If you lose your residence permit you will have to reapply following the instructions below.

How to Apply

Pick up a residence permit kit at any post office. There is one on the main campus by the Viale Regina Elena entrance or you can go to the main post office branches either at Piazza San Silvestro or Piazza Bologna (10 minute walk from the main campus). Complete the application form using a **black pen** and attach photocopies of the required documents along with a tax revenue stamp (ask for a €16 *marca da bollo* at any tobacconist). Instructions are included in the Residence Permit Kit; however, if you

are unsure or have any difficulties, you can ask for assistance at our International Office or at the HELLO office.

Alternatively, you can make an appointment with *Patronato Labor*, an Italian government office established to assist people with their Residence Permit applications. To find locations and opening hours visit: www.patronatolabor.it

Once you have completed your application form, you need to present it at the post office.

On filling your application, you will have to pay €107.50 – 227.50 (for the Residence Permit procedure) and an extra €30 (for the postal service), using a pre-printed form you will find inside the kit.

Please note:

prices for the residence permit procedure vary according to the duration of the requested stay: €107.50 – for periods of stay over 3 months and less than or equivalent to 1 year; €127.50 – for periods of stay over 1 year and less than or equivalent to 2 years; €227.50 – for periods of stay over 2 years.

The post office will give you a receipt for your application, which is your proof of having applied for the residence permit and also indicates the date/time/place of your appointment with the Immigration Office (Police).

You will have to go to the appointment to complete the application for your residence permit. For the

first appointment, you must bring 4 passport-sized ID photos with a white background, one of which will be attached to your residence permit.

Tax Code

The *Codice Fiscale* is an alphanumeric code based on your first name, family name and date and place of birth. It is used by the public administration to identify citizens living in Italy.

Everyone living in Italy must have one. The *Codice Fiscale* is also necessary to apply for a residence permit, to open a bank account, to sign a rent agreement, to obtain a canteen card and for many other procedures/activities.

Applying for a Tax Code

You will be able to apply for your tax code directly on campus during the Welcome Week or Day that is organised for incoming students. Alternatively, should you not be able to attend the welcome event, you can apply at the Agenzia delle Entrate (Via Ippolito Nievo 36) when you arrive in Rome. Office Hours: Mon-Fri 8:45 – 12:45 Tues/Wed/Thurs also 2:15-3:35 pm

Healthcare

EU citizens can take advantage of the Italian National Health Service.

A Word of Advice:

always keep the postal receipt of your residence permit with you.

Even better: make also a photocopy to be sure you keep a track of it! It serves as a formal proof that you have applied for a residence permit and it will also allow you to travel within the Schengen Area while you are waiting for your official residence permit card.

Your private health insurance (where applicable) should cover your medical needs for the entire period you are in Italy. If your private insurance only covers medical care for a 3-month period, you can register with the Italian National Health Service (NHS) from the 91st day onwards.

The **Italian NHS** will provide you with the same care as any Italian citizen. This includes:

- Free access to a general physician
- Free access to first aid hospital services
- Access to day-hospitals
- Access to surgical procedures in all

public structures

· Access to blood tests and other analyses, examinations and specialist visits for which you have to pay a reduced fee (ticket).

Registering with the Italian NHS

Registration with the NHS requires payment of an annual tax of €149.77. You can make the payment at any post office to “Amministrazione P.T. – contributo Servizio Sanitario Nazionale”, C/C number 370007.

You must also specify the reason for your payment: “iscrizione volontaria al Servizio Sanitario Nazionale”.

To use the NHS, visit a Local Health Unit (ASL) in your area of residence (municipalità) with your NHS tax payment receipt and you will be

able to select your general physician from a list of doctors in your area of residence.

Documents required for registering with the Italian NHS:

- Certificate of residence, municipal application receipt or self-certification;
- Valid Identity Card and/or Passport; Tax identification code (codice fiscale);
- Name of the selected general physician;
- Payment of €149.77 at the Postal Office to account no. 370007;
- Certificate of enrolment in a legally recognised university (or self-certification).

Emergency Health Issues

For emergencies: call **118**, the medical emergency toll-free number or go to a hospital first aid centre. (pronto soccorso).

You will be assigned a colour code (white, yellow, green, red) based on how serious your condition is. Patients are treated based on these codes, not in order of arrival.

Please note:

if you are assigned a white code, the wait may be very long.

Remember to take your health care card (tessera sanitaria) and residence permit with you.

Other Health Issues

For minor health problems (flu, cold, etc.) you should see your general

practitioner. Visits to a GP are free, as long as you are registered with the NHS (see above).

Always bring your residence permit and health care card with you.

For specialist visits (gynaecologist, dentist, etc.) your general practitioner will provide you with a referral called a “ticket”. You then need to book an appointment through the dedicated CUP Call Centre (Tel. 80 33 33). You will need to provide the operator with your personal details, including your tax identification code and other information specified on the ticket. Be sure to get a booking number from the operator before you hang up. Always bring your residence permit and health care card with you

to the medical appointment.

Public Transport

Metrebus, Rome’s public transport system, integrates a variety of different transport services: underground/tube, urban trains, buses and trams.

There are several different types of Metrebus tickets that can be bought at ticket offices, newsagents, tobacconists and automatic machines in stations. You should not board on the public transport without a ticket. Please remember that you must always validate your ticket at the beginning of your journey and when transferring onto the metro (your

University Affiliated Accommodation

Sapienza University does not have student housing per se, but offers a series of affiliated housing agreements and recommendations for finding housing. The Sapienza website provides constantly updated information on housing opportunities, rental agencies, etc.

Private Accommodation

On average, prices for a private room in a shared apartment range from €350 to € 550 (or higher) per month. Please note that you will also be required to pay a 1-3 month deposit when you sign a contract. Always demand a signed receipt of payment, if it is not given to you.

Rome is a large city and students live

in many different neighbourhoods, depending on their university faculty, costs, etc. While Sapienza has a main campus (Città Universitaria) in the Rome city centre (by the Roma Termini train station), many Faculties have buildings in different parts of the city... after all, Sapienza is Europe's largest university! To find our more about the location of your Faculty, have a look at the map at the end of this document !

Banking

You can open a bank account at any bank in Italy by presenting the following documents:

- Tax identification code (codice fiscale);
- Passport and Visa;
- Letter of invitation/acceptance by host university (where applicable).

You can also choose to open a BancoPosta account at Poste Italiane (Italian Post Office). Unicredit bank and Poste Italiane have a branch at the Sapienza University main campus.

Telephone and Emergency Numbers

Italy's international phone code is **+39**. There are many mobile phone providers in Italy including: Tim, Vodafone, Wind, 3, Postemobile, etc. We advise you compare services and costs before choosing one. The

same is valid for mobile Internet connections. You may also be able to buy a pre-paid phone card for international calls in your home country before arriving in Italy.

Emergency numbers (toll-free):

- 112** Carabinieri (military police)
- 113** Police
- 115** Fire Brigade
- 116** Car Rescue Service
- 118** Emergency Medical Care.

Costs of Living in Rome

Rome is not a cheap city, but it is much cheaper than many other European cities and there are plenty of reasonably priced and low-cost alternatives for students. Food is great and generally inexpensive, especially if you shop at a supermarket or local market stalls. Eating out, movies and other leisure activities are, again, less expensive than many other European capitals. A meal at a restaurant will vary depending on where and what you wish to have, but a pizza and a beer in a pizzeria costs about €10-12, unless of course you are in the heart of the tourist city centre! Public transportation in the city is also relatively cheap - €1.50 per journey - and much cheaper if you invest in a monthly or yearly pass. Trains are also far cheaper than in other European cities. Moreover, you can take advantage

For further information:
www.numbeo.com/cost-of-living/city_result.jsp?country=Italy&city=Rome

of a large range of student offers and discounts available at clubs, museums, sporting events, etc. Your greatest expense will be housing, depending on which area of Rome you choose.

Please note: the cost of renting an apartment described in the link below refers to the cost of the entire apartment, whereas 3-4 or more students usually share an apartment.)
On average, you will need at least €800-900/month to live in Rome. Although you only need proof of about €500/month to apply for your student VISA, please be warned that this is not enough to live in Rome.

A word of advice:
1 • Do not make any advance payments from abroad. Make sure to meet with the person who is providing the accommodation when you arrive in Rome before making any payments and if you have any doubts do not hesitate to contact the Welcome Office for advice. To obtain a visa, you may require proof of accommodation (a receipt or letter attesting your accommodation). If this is the case, temporary accommodation at a hostel or bed and breakfast will provide you with the necessary proof without having to spend large amounts of money from abroad.
2 • Unfortunately, due to the high demand for student housing in Rome, some landlords take advantage of the enormous influx of students by trying to rent their properties to students without an official rental contract. Clearly, this

leaves the tenant unprotected and is illegal under Italian law. Bill no. 23/2011 has made it easier to report dishonest landlords and force them to provide you with a legal contract.
3 • Like any major city, Rome has its problems. Although it's a relatively secure city in terms of personal safety, you should pay special attention to your purse, wallet and other personal belongings when you are on public transport (buses, subway, trains, etc.). If you take a Taxi, make sure that the driver activates the meter and only charges you for correct supplements. These are all be listed and detailed in Italian and English on laminated posters on the back seats of all taxis. Should you lose or have your wallet stolen, you must go to a Police station or Carabinieri to file a declaration. Also don't forget to block your ATM card with your bank and any credit cards via phone or web.
